HOW TO MEASURE:

Chest: Measures the fullest part of your chest.

Waist: Bend to one side to the natural crease of your waist and measure across this point.

Hips: Standing with feet together, measure around the fullest part of your hips and rear.

SIZE TIP

If you're a guy ordering unisex fit scrubs, they should ideally be true to size. For the ladies, consider ordering one size smaller than you would in a women's fit scrub top or pant.
